All non-EU citizens who intend to attend the Conservatorio Maderna in Cesena, must apply for a STUDENT VISA from the Italian Embassy in their home Country.

Such procedure must be done through the website Universitaly at the following link:

<https://www.universitaly.it/>

Students must register on this site and complete the pre-enrollment form, then send it to the Conservatory in Cesena. Our office will check all submissions received, and in case of missing documents, the student will receive a communication via mail. When the registration is completed, the registry will activate the STUDENT VISA procedure through the Embassy.

Those students who are presenting the pre-enrollment form through the website Universitaly, must not go through the ISIDATA website. All applications will automatically be registered once the pre-enrollment is completed through Universitaly Website.

All applications exclusively submitted through the ISIDATA website, without formal pre enrollment through the Universitaly Website, will be denied.
